FLAMINGO BOWL

LOCATED IN BEAUTIFUL
DOWNTOWN SAINT LOUIS,

Flamingo Bowl offers a unique experience with grand views of Washington Avenue. This one of a kind setting offers upscale art-deco décor, a fun atmosphere, and an exceptional food and cocktail menu sure to make your event unmatched. Our private rooms include cozy lounge areas, a pool table (Palm Room), and state of the art bowling lanes.

Flamingo Bowl is St. Louis' premier party and private event location. It was designed with such events in mind featuring two separate rooms that can be booked either together or individually, both of which can be custom-tailored for any occasion. The main room has 8 lanes of bowling, a generous seating area, and a very open and airy feel. The Palm Room is more intimate and has 4 lanes of bowling, a pool table and posh seating areas with banquettes. The award winning décor at Flamingo bowl has art deco influences and a warm, inviting atmosphere. Voted "Best Décor" in St. Louis and given the title of "Best Addition to Washington Avenue" Flamingo Bowl hosts hundreds of events each year ranging from Holiday Parties, Teambuilding and Corporate Events, Wedding Rehearsal Dinners, Wedding Receptions, Bat and Bar Mitzvah celebrations, Birthday Parties, and Anniversaries... to name a few.

While the atmosphere is excellent, the main focus here is the quality of service. Guest are treated like VIPs from the moment they arrive until the moment they leave.

The cumulative experience of the staff at Flamingo Bowl really shines through as every detail is attended to as if it were second-nature.

The bar and food menus are impressive here as well. A full bar with a great selection of beer, wines and liquors as well as an award-winning selection of signature cocktails will be served up by some of the best bartenders in St. Louis. The excellent catering and food menus run full-range, from basic pizza and appetizers to filet mignon.

While this would be a great venue even without the bowling, it is the bowling aspect that really takes Flamingo Bowl to the next level. It works remarkably well as an ice-breaker, but without becoming the sole focus. Guests will feel like they were at several different places during the same event. They can eat, bowl a game, mingle with the crowd, or have a quiet conversation in a lounge area seamlessly moving from one activity to the next.

From start to finish, there is no doubt that Flamingo Bowl is a great place to have a memorable event.
